Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independent Auditor's Report (continued)

Notes to Financial Statements

1. Organization and significant accounting policies

Programmatic and organizational information: Helping Children Worldwide, Inc. (the "Organization") was incorporated on April 4, 2003, under the laws of the Commonwealth of Virginia, as a non-stock not-for-profit organization. Helping Children Worldwide, Inc. is a Christian organization whose mission is to transform communities by serving the world's most vulnerable through education, health care, and spiritual growth.

Helping Children Worldwide, Inc. is the primary financial and operational supporter of the Child Rescue Centre and Mercy Hospital in Sierra Leone, West Africa. The organization has built partnerships with other faith-based and secular organizations, including Floris United Methodist Church (Floris UMC) in Herndon, Virginia. The bylaws of the Organization require that a majority (greater than 50%) of the Board of Directors be affiliated with Floris UMC.

Helping Children Worldwide, Inc. ministers in Sierra Leone, West Africa through support of programs to protect children and families; working to realize our vision of strong, nurturing communities where all can fulfill their God-given potential through good health and education. Major programs supported include:

Child Rescue Centre - The Child Rescue Centre (CRC) offers services to children who have been victims of child labor or are at high risk of exploitation, or were orphaned by the Ebola crisis. The four primary programs offered by the CRC focus on rescuing and rehabilitating children who have been victims of child labor, as well as working alongside families in the community to prevent child labor by providing support for education and health care. The CRC also supports youth through post-secondary education scholarships. This program allows high-performing students to pursue education and technical training to better prepare them to meaningfully contribute to society in their trade or profession. In total, more than 450 children are currently enrolled in programs offered by the CRC.

The Child Rescue Centre was positioned to provide refuge to children who were orphaned during the Ebola crisis, and to support families who found themselves in deeper, more desperate poverty due to the economic impacts of the 18-month long public health crisis. In 2015, the Child Rescue Centre increased enrollment in its programs by more than 25% to respond to the needs of children and families struggling to survive in post-Ebola Sierra Leone.

Mercy Hospital - Mercy Hospital's (Mercy) mission is to improve infant and maternal mortality rates in Sierra Leone by providing holistic and, community-focused care, regardless of ability to pay. Mercy provided services to nearly 10,000 people in and around Bo, Sierra Leone, the second largest city in the country. Mercy boasts a trained and dedicated medical staff including a full-time doctor, a medical laboratory, and a fully stocked pharmacy on-site.

Helping Children Worldwide, Inc.

Notes to Financial Statements

Mercy's reach extends beyond the hospital and into the surrounding villages through community based outreach and education programs, including: nutrition clinics, prenatal care, malaria testing and treatment, and HIV/AIDS testing and counseling.

During the Ebola crisis in Sierra Leone in 2014-2015, Mercy remained open providing non-Ebola related care. Helping Children Worldwide provided direct financial support and operational guidance to Mercy. The Organization worked with the Mercy medical staff and management team to develop protocols, send quantities of personal protective equipment, and provide funding for the purchase of an Ebola-dedicated ambulance to provide transport to patients who needed to be treated at Ebola Treatment Centers.

UMVIM Volunteer Trips - United Methodist Volunteers in Mission (UMVIM) teams are comprised of individuals who travel to Sierra Leone to volunteer at CRC and Mercy Hospital. Over the past ten years, teams have engaged in a wide variety of service projects to support the lives of children and their families, including medical and dental clinics, summer school programs, Vacation Bible School, counseling and construction projects. The ongoing public health crisis caused by the Ebola virus outbreak forced Helping Children Worldwide to postpone the substantial majority of its planned mission teams.

The Organization regularly collaborates with the General Board of Global Ministries of the United Methodist Church Advance (UMC Advance) to fundraise for the CRC and Mercy programs. In 2015, \$147,000 was donated through the UMC Advance to support the CRC and Mercy directly, which offset the Organization's total expenses for the year.

Basis of accounting: The accounts of the Organization are maintained on the accrual basis of accounting where support and revenue is recognized when earned, and expenses are recognized when incurred.

Basis of presentation: Net assets and revenues are classified based on the existence or absence of donor-imposed restrictions and reported as follows:

Unrestricted net assets - net assets that are not subject to donor-imposed stipulations.

Temporarily restricted net assets - net assets subject to donor-imposed stipulations that will be met either by actions of the Organization and/or the passage of time.

Permanently restricted net assets - net assets subject to donor-imposed stipulations that will be maintained permanently by the Organization. The Organization may use all or part of the income earned on these assets for specific purposes. There were no permanently restricted net assets as of December 31, 2015.

Helping Children Worldwide, Inc.

Notes to Financial Statements

Cash and cash equivalents: The Organization classifies all highly liquid investments, with original maturities of three months or less as cash equivalents. Cash and cash equivalents consist of demand deposit accounts, money market accounts, and certificates of deposit with original maturities of three months or less. The Organization maintains cash balances which may exceed federally insured limits. Management does not believe that this results in any significant credit risk.

Investments: Investments consist of certificates of deposit and indexed certificates of deposit which are stated at fair value. Investment income (including realized and unrealized gains and losses on investments, interest and dividends) is recorded as unrestricted income, unless restricted by donor or law.

Receivables: The face amount of receivables is reduced by an allowance for doubtful accounts, if needed. The allowance for doubtful accounts reflects the best estimate of probable losses determined principally on the basis of historical experience. All accounts or portions thereof that are deemed to be uncollectible or that require an excessive collection cost are written off to the allowance for doubtful accounts. Management believes all receivable are collectible as of December 31, 2015; therefore, there is no provision for doubtful accounts in the accompanying financial statements.

Property and equipment: The Organization capitalizes all expenditures for property and equipment in excess of \$1,000. Property and equipment are recorded at cost and depreciated on a straight-line basis over the estimated useful lives of the assets, which is generally three to five years. Leasehold improvements are amortized using a straight-line basis over the shorter of their estimated useful life or the remaining lease term.

Deferred revenue: Deferred revenue is made up of volunteer mission trip funds received for trips in future periods.

Deferred rent: The Organization recognizes the minimum non-contingent rents required under operating leases as rent expense on a straight-line basis over the life of the lease, with differences between amounts recognized as expense and the amounts actually paid recorded as deferred rent on the accompanying Statement of Financial Position.

Helping Children Worldwide, Inc.

Notes to Financial Statements

Revenue recognition:

Contributions and foundation grants - The Organization recognizes all contributions as revenue in the period received or unconditionally promised. Contributions are recorded as unrestricted or temporarily restricted depending on the absence or existence of donor stipulations that limit the use of the contributions. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities and Changes in Net Assets as net assets released from restrictions.

Special events - Special events revenue is recognized when the event occurs less any direct donor benefit transferred to the donor.

UMVIM volunteer funds - UMVIM volunteer funds are received for short-term mission trips to aid the African Programs. The funds are recognized as revenue in the period the trip takes place. Funds received for trips taking place in a future period are recorded as deferred revenue and reported as a liability on the Statement of Financial Position.

Functional allocation of expenses: The cost of providing the various programs and supporting services has been summarized on a functional basis in the Statement of Functional Expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Income taxes: The Organization is a Section 501(c)(3) not-for-profit corporation exempt from federal income taxes as provided under section 501(a) of the Internal Revenue Code and applicable regulations of the Commonwealth of Virginia. The Organization has no unrelated business income.

Uncertainty in income taxes: The Organization evaluates uncertainty in income tax positions based on a more-likely-than-not recognition standard. If that threshold is met, the tax position is then measured at the largest amount that is greater than 50% likely of being realized upon ultimate settlement. As of December 31, 2015, there are no accruals for uncertain tax positions. If applicable, the Organization records interest and penalties as a component of income tax expense. Tax years from 2012 through the current year remain open for examination by tax authorities.

Use of accounting estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

3. Fair value The Organization values its investments at fair value in accordance with a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value as follows:

Level 1. Observable inputs such as quoted prices in active markets for identical assets or liabilities;

Level 2. Inputs, other than the quoted prices in active markets, that are observable either directly or indirectly; and

Level 3. Unobservable inputs in which there is little or no market data, which require the reporting entity to develop its own assumptions.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. There have been no changes in the fair value methodologies used at December 31, 2015.

The fair value of investments as of December 31, is as follows:

		Fair Value Measurements Using
